

## INTERNSHIP PROGRAM TABLES

Date Program Tables are updated: 09/13/2023

### Program Disclosures

As articulated in Standard I.B.2, programs may have “admission and employment policies that directly relate to affiliation or purpose” that may be faith-based or secular in nature. However, such policies and practices must be disclosed to the public. Therefore, programs are asked to respond to the following question.

Does the program or institution require students, trainees, and/or staff (faculty) to comply with specific policies or practices related to the institution’s affiliation or purpose? Such policies or practices may include, but are not limited to, admissions, hiring, retention policies, and/or requirements for completion that express mission and values.	<input type="checkbox"/> Yes <input checked="" type="checkbox"/> No
If yes, provide website link (or content from brochure) where this specific information is presented:	

### Internship Program Admissions

Briefly describe in narrative form important information to assist potential applicants in assessing their likely fit with your program. This description must be consistent with the program’s policies on intern selection and practicum and academic preparation requirements:  Intern applicants must be advanced doctoral students who have completed their doctoral coursework and at least 400 hours of supervised practicum experience. We are interested in applicants who are clinically skilled, motivated to learn, and share the company-wide values community, personal growth, and diversity, equity and inclusion. We are open to applicants with varied theoretical approaches to their work, but we tend to accept and train interns in more long-term, experientially-oriented interventions.
